THE FEELINGS LOG

Feel it, then do it anyway

Every time a feeling tries to make a decision for you this week, catch it, name it, and write it down. You'll start seeing the pattern within a few days. This is for you, there's no need to send it to me.

WHICH ONES CATCH YOU OUT?

Tick every one that sounds like you.

- [ ] **Tired.**
  "I'll do it tomorrow when I've got more energy."
- [ ] **Stressed.**
  "I deserve this."
- [ ] **The kids playing up.**
  Nothing left by the time it's quiet.
- [ ] **"What's the point?"**
  The scale hasn't moved, again.
- [ ] **Someone says something.**
  A comment that lands wrong.
- [ ] **Fed up with all of it.**
  Sick of logging, steps, thinking about food.
- [ ] **Something else:** _____

THE 4 STEPS

1

Catch it.

Pause for 10 seconds.

2

Name it.

What am I actually feeling?

3

What does it need?

Rest, air, calm, evidence, perspective, your why.

4

Do the next thing

on your plan anyway.

THIS WEEK

Log it every time. Good days and bad ones.

WHEN	WHAT I REACHED FOR OR SKIPPED	WHAT I WAS FEELING	WHAT IT ACTUALLY NEEDED	WHAT I DID NEXT

MY TOP 2

Pick the 2 that catch you out most and plan them now, while you're calm.

When this happens...

I'll do this instead...

When this happens...

I'll do this instead...

Example: When I get in stressed from work, I'll walk round the block before I go in the kitchen.

If it goes to food anyway, don't panic. Write down what you were feeling, and your next meal goes back on plan. Never miss twice.
