YOUR COACHING PATHWAY

WHERE YOU ARE. WHERE WE'RE GOING.

The Zenith Fit coaching journey. Start with the Accelerator, carry on with Momentum or Transformation, and **build the lifestyle that lasts.**

Mark Davies
Founder, Zenith Fit

Structure beats motivation. Every single time.

STEP 1

ZENITH ACCELERATOR

6 weeks to build the foundations that stick. No overwhelm. Clear structure and results you can feel.

HOW IT STARTS

Your welcome form and health questionnaire, your onboarding and goal, and your programme built around your life within 48 hours. Simple weekly targets for training, steps and food.

YOUR WEEK

- Your training sessions in Everfit, built for your equipment
- A daily steps target
- Simple nutrition: Smart Plate or targets, built around protein
- Your Friday check in, with feedback from me
- Zenith HQ: the Sunday Session, guides and every AI tool
- The group, Rate Your Day, Wednesday Wins and the Sunday Prep

WHAT YOU GET OUT OF IT

A clear plan. You know exactly what to do each day.

Accountability. Weekly check ins keep you on track when life happens.

Real coaching. Feedback, questions answered, confidence built.

Momentum. Routines that fit your life, built to last.

WEEK 6

CHOOSE YOUR NEXT STEP

Around week 4 we look at your progress together and I send you your roadmap. **At the end of 6 weeks you choose how we carry on.**

Option A

ZENITH MOMENTUM

Ongoing structure, coaching and accountability. Where most clients live, and where the results build month after month.

Option B

ZENITH TRANSFORMATION

The full one to one experience. A monthly review call with me, and your weeks planned before they happen. Limited places.

MOMENTUM LOOKS AT YOUR WEEK AFTER IT'S HAPPENED. TRANSFORMATION LOOKS AT IT BEFORE.

Both are fully coached. The difference is how far ahead we plan together.

OPTION A

ZENITH MOMENTUM

For people who've built the basics and want to keep progressing with structure, guidance and accountability.

MONTHLY MEMBERSHIP

4 month minimum to start, then 1 month's notice. 4 months is how long it takes for this to become how you live.

YOUR PROGRAMME

Reviewed every 4 to 6 weeks and changed when it needs to be.

FRIDAY CHECK INS

Every week, with feedback and one clear focus for the week ahead.

ZENITH HQ AND THE GROUP

The Sunday Session every week, guides, AI tools and the community.

The outcome: stay consistent, keep improving your body, fitness and confidence, and keep your results for good.

OPTION B

ZENITH TRANSFORMATION

For people with bigger goals or bigger barriers, who want the deepest level of coaching I offer.

WHAT'S DIFFERENT

- A monthly review call with me, 15 to 30 minutes
- Your weeks planned before they happen, not looked at after
- Starter equipment included
- 6 or 12 months, monthly or paid in full
- Capped at 10 places

THE JOURNEY

1. **Foundation and clarity.**
   Routines set, nutrition and training consistent.
2. **Body composition push.**
   Fat loss and strength, with regular changes to your plan.
3. **Lifestyle mastery.**
   Weekends, social events, stress and sleep handled.
4. **Identity.**
   You become someone who just lives this way.

THE GOAL

BUILT STEP BY STEP

ACCELERATOR
Builds the foundation.

MOMENTUM
Keeps you consistent, month after month.

TRANSFORMATION
The full change, planned ahead with me.

Sustainable fat loss. A stronger body and better fitness. More confidence, more energy and more structure. **A lifestyle you can keep, because you built it yourself.**

GIVE IT 12 MONTHS AND YOU'LL TRANSFORM YOUR LIFE.

Fat loss is what happens along the way.
